I'm okay Lynn, though it makes sense to be worried

Taki...
I'm...

I understand that some forts at the front were breached
Even we rushed forward in preparations

It's okay!

We'll come home by any means for sure...

There's no need for you to fight

Leave it to us

Taki.....

It's certain

Oh yeah, I'll be back for sure

Taki!! Hurry up!!

Yes!!

See'ya

I'm off

Taki.....

Be sure.....

Lets not have a show in this sort of place!!

Hyu~
Hyu~

Lucky you having a beauty like that.....

Lynn and I arn't like that, so stop that...

I can't do anything because I'm still a fledgeling

Right now I still don't have an answer to that question

But you love her dont'ya? Ey?

The moment the fledgling itself realises that, begins the real battle

You're worried about that huh?

Yes!!

Well... Lets go Taki!!

Fight to protect your important things

Ne~ Granny

Is our home going to be lost

But.....

The enemy attack will probably come?

What did you say?

It's alright

I'm sure it's okay

Lynn...

that was late

It's fine you know, just think of this as having a picnic together

you guys .....

Kyle
You should have a little more tension

It hurts!

Just look at this for the time being

I got it!!
Everyone, don't get discouraged!!

You Alright!?

Taki!!

Yeah

Somehow .....

Do you think that's strange?

We're superior!!

The enemy's attack seems to be not enough to beat us!!

That... That reminds me...

These guys took out some forts before reaching here

I've not seen an appearance from them ...

I heard they were beaten by a superior gathering of elite fighters, the "Blue Warriors"

I thought he was still just a green kid

What changed him so much?

This This guy. .

Noticed such a thing in the m dst of battle. .

ドドドドド

It can't be, technology of the ancient ones...!?

A Chariot!?

Wrong!!

It isn't something easy like that!!!

What!?

Is that...!?

Wha...!?

If this castle falls... it is our loss...
The... the fort.. it... it was broken through by a monster chariot like never seen

!!

Escape...

Ev... Everyone even without us

The fact is these guys seem to attack villages in that way

The women are raped even if surrendered, and the men are only murdered

Are you okay?

We wont be running away, run away you say, where do we run away

ah... aah...

.....

カシャ

We'll fight

Over our personal pride

Lynn

You take a sword too

Granny

I'm...

You'll get unbearable humiliation if caught by them

You're the most beautiful youth in this city

I understand, you're not a child who can fight

But, I remain firm

Therefore, choose if pressed

or die by your own sword and remain pure

Will you still live if you receive humiliation

.....

# FOR THE LOVE OF Scans

Hello readers, this here is my first scanlation... it doesn't have the quality of other scans since I'm both using freely obtained RAWs and skipping out on the cleaning of them due to personal time constraints.

I'm mostly doing this as constructive practice for my japanese. As you read these, you may come to discover how much of a novice I am at this. But be assured, the translations made are "Accurate enough". There shouldn't be any inconstancies later on.

I may or may not release more after vol 2 due to work, but I'll work towards that goal

thankyou for reading and enjoy
